I'm fine with the comments. The first addition is basic and not sure necessary since this audience has a lot of site/issues knowledge, but I am fine adding it. Thanks. Angeles

Angeles,

I hope to send this email tomorrow morning, working with Sonam. Are you okay with the language Mike and I edited (highlighted below)?

Hi all.

Yolanda, I just added my edits to the Congressional letter.

Angeles, I should have a copy of the CIP letter to you/Enrique this evening. It will include both the reshaping along the lines of what we discussed as well as answers to some of the specific questions/comments you had added in track changes.

Thanks all,

Thanks Yolanda. It looks good. I made a few minor comments on it.

Wayne: What is the status of the RESRAD letter?

Michael: What is the status of the CIP letter?

Just making sure I am not missing any emails regarding these two important letters. Thanks to all. AH

Angeles and Mike,

For your review, attached is the draft email to congressional offices to share the Parcel G Approval Letter and the forthcoming RESRAD review comment letter. We hope to finalize RESRAD letter soon, so we can send this email this week.
